

The making of a Tech Hub in Basel

The rise of a new city-district

Klybeckplus: largest transformation site in Switzerland

16 soccer fields

Planned floor space has the size
12 Roche Towers

of which
60% living
40% working

Planning
2100 flats
for 8500 people

Building

7500 workplaces

A new innovative district as a

Home for

- ambitious companies
- new clusters

Part of a global network of 22 innovative districts

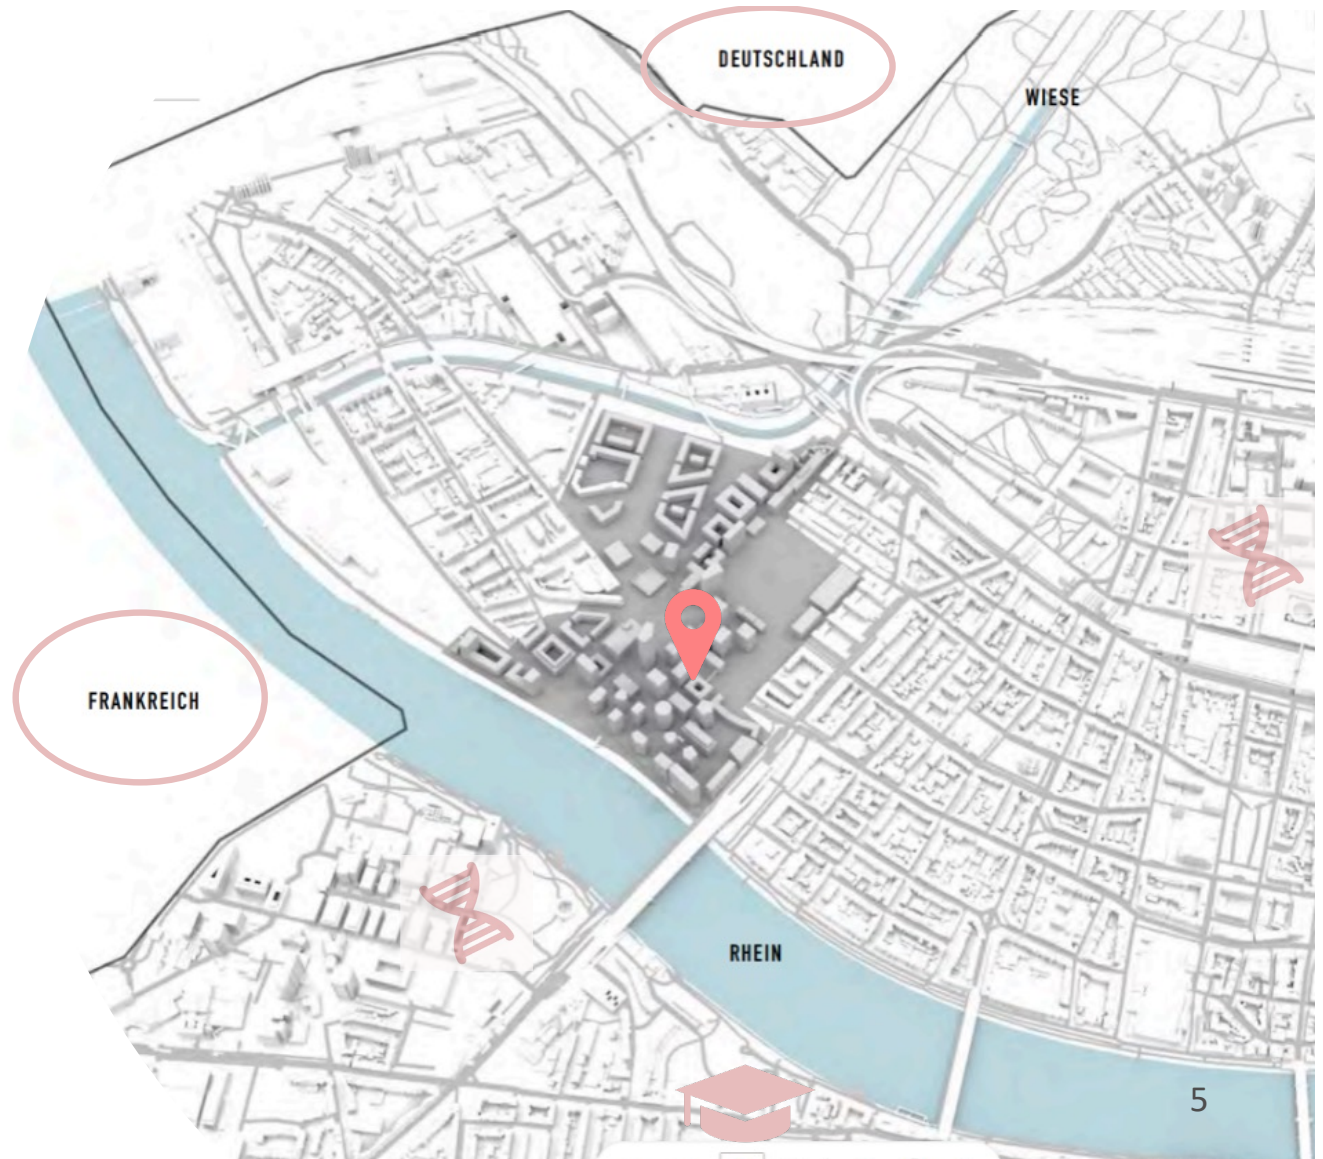

Our Vision:
Klybeck site
becomes a
Catalyst
for a
Tech-Hub in
Basel

A pioneer Tech-Cluster

In the middle of the border
triangle between France and
Germany

Klybeck:
where
growth is
possible

Klybeck and TechHub: Growing together

Connect, share and collaborate!

Shared infrastructure

Collaborative space for individuals and businesses

TechHub
@ Klybeck

Resources and
opportunities for
growth and
development

Community

Hub for tech enthusiasts,
entrepreneurs and
innovators
to connect and
collaborate

What could a TechHub be like?

**For all tech players
(from start up to large scale)**

Community events & talks

**Innovation through
collaboration and mentoring**

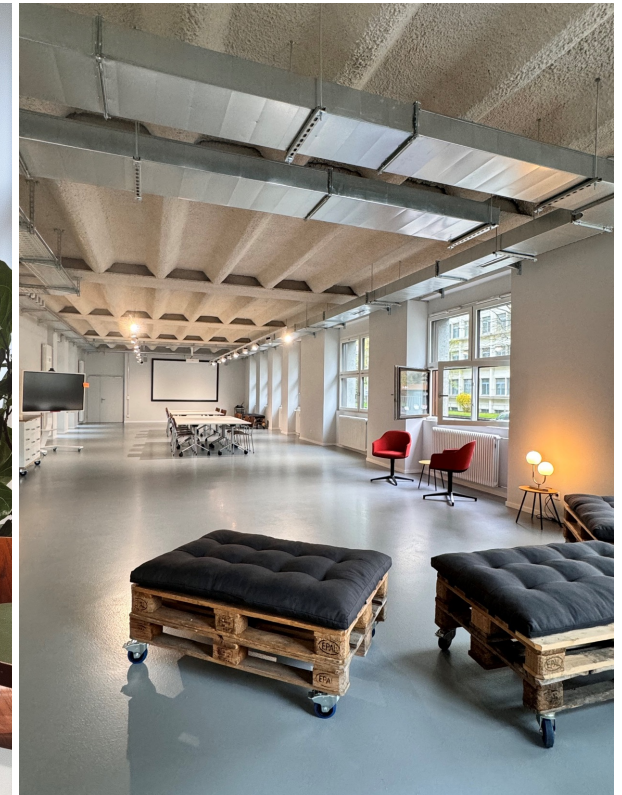

Workplaces

Projectrooms and Hackathons

Informal talks

GROWING TOGETHER
